carewell
service

A place to call home with exceptional care.

Safety, care and quality of life – brought together in one place.

CAREWELL-SERVICE

A place where safety and quality of life come together.

CAREWELL represents a specialised care resort for people requiring a higher level of care – designed for long-term stays, with the option of admission at short notice.

For around 15 years, we have combined experience, specialised care and medical support in line with Swiss quality standards – under Swiss management. In the warm, natural surroundings of Phuket, we offer a place where personal needs take centre stage.

Supported by an experienced care team, committed to providing attentive and personal support to every individual.

For quality of life, wellbeing and safety – for you and those close to you.

CARE & SUPPORT

Professional care, individually supported.

We support people with increased care needs with empathy and professionalism – through personal care and medical support that provides targeted assistance in everyday life and is tailored to individual needs.

WHAT SETS US APART

- Family-oriented environment with personal support and targeted daily assistance
- Specialised in dementia, Alzheimer's and neurological conditions
- Rehabilitation and therapy planning following stroke or injury
- Collaboration with international clinics

Individually tailored – for safety and structure in everyday life.

LIVING & ACCOMMODATION

A home with comfort and security.

CAREWELL offers modern and comfortable living options – from stylish rooms to spacious apartments.

The barrier-free, wheelchair-accessible facility is designed to meet the needs of residents and combines safety with a sense of reassurance.

An environment that provides security and preserves quality of life.

Bright interiors, well-maintained outdoor areas, and spaces for both community and privacy create an environment where residents feel at ease and can shape their daily lives actively and independently.

WHY CAREWELL

Because your loved ones deserve the best care.

24/7 Care – tailored 1:1

Reliable care around the clock – tailored to your individual needs.
